

QGS Warranty Statement

QGS Warranty

Quincy Compressor® Industrial Rotary Screw Products

**The following units are eligible for the QGS Warranty program (operating at 150 PSIG full load or less)
QGS 5 through 30 horsepower**

STANDARD WARRANTY:

Quincy Compressor (seller) warrants products of its own manufacture against defects in workmanship and materials under normal use and service, as follows:

Packaged Compressors - Twelve (12) months from date of start-up or eighteen (18) months from date of shipment from the factory, whichever occurs first.

3-YEAR EXTENDED WARRANTY:

Quincy Compressor (seller) warrants products of its own manufacture against defects in workmanship and materials under normal use and service, as follows:

Packaged Compressors - Twelve (12) months from date of start-up or eighteen (18) months from date of shipment from the factory, whichever occurs first.

Airend on Packaged Compressors - Three years (36 months) from date of startup (not to exceed 42 months from date of shipment from the factory) including parts and labor for the first 12 months only and parts only after (12) months.

Air/fluid Reservoir Tanks - Three years (36 months) from date of start up (not to exceed 42 months from date of shipment), including parts and labor for the first 12 months and parts only after (12) months. In the event of a reservoir tank failure, the parts and labor coverage is limited to the reservoir tank itself and does not cover the separator element(s) or loss of fluid.

Air and Fluid Heat Exchangers - Three years (36 months) from date of start up (not to exceed 42 months from date of shipment), including parts and labor for the first twelve (12) months, parts only after twelve (12) months. In the event of a heat exchanger failure, the parts and labor coverage is limited to the heat exchanger itself and does not cover the separator element(s) or loss of fluid.

Drive Motors - One (1) year (12 months) from date of start up (not to exceed 18 months from date of shipment), including parts and labor.

AUTHORIZED START-UP OPTIONAL:

A properly completed QGS warranty registration form is required at quincycompressor.com but no start-up form or report is required. Extended warranties are available, as noted on page 2 of this document with an authorized start up by a Quincy authorized representative. A properly completed start-up report is optional; this form must be completed by an authorized Quincy distributor and submitted within thirty (30) days of start-up to be eligible for the extended warranty. Completed start-up must be submitted through the Quincy Compressor website (www.quincycompressor.com).

Genuine Parts and Fluids- The compressor must be maintained with QuinSyn-Plus (8,000 hour maximum), QuinSyn-XP (12,000 hour maximum) or QuinSyn-F food grade (6,000 hour maximum). Maximum fluid change intervals are noted per fluid. Actual fluid change interval is to be determined by fluid sampling report, not to exceed maximum fluid change interval. Fluid samples must be taken every 2,000 hours or as directed by the analysis report. For light usage units, a fluid sample must be taken a minimum, of every six (6) months, beginning at start-up.

Only Genuine Quincy Compressor maintenance and replacement parts may be used on the air compressor, otherwise the Quincy QGS 3-Year Extended Warranty is voided.

While start-up is optional, registration is required at www.quincycompressor.com. Registration must include valid end user contact information including name, telephone number, mailing address and email address. View the Quincy Compressor privacy policy and legal notices at www.quincycompressor.com.

QGS Warranty Statement

QGS Warranty (continued)

Quincy Compressor® Industrial Screw Products
**The following units are eligible for the QGS Warranty
program (operating at 150 PSIG full load or less):
QGS 5 through 30 horsepower**

5-YEAR EXTENDED WARRANTY:

Quincy Compressor (seller) warrants products of its own manufacture against defects in workmanship and materials under normal use and service, as follows:

Packaged Compressors - Twelve (12) months from date of start-up or eighteen (18) months from date of shipment from the factory, whichever occurs first.

Airend on Packaged Compressors - Five years (60 months) from date of startup (not to exceed 66 months from date of shipment from the factory) including parts and labor for the first 12 months only and parts only after (12) months.

Air/fluid Reservoir Tanks - Five years (60 months) from date of start up (not to exceed 66 months from date of shipment), including parts and labor for the first 12 months and parts only after (12) months. In the event of a reservoir tank failure, the parts and labor coverage is limited to the reservoir tank itself and does not cover the separator element(s) or loss of fluid.

Air and Fluid Heat Exchangers - Five years (60 months) from date of start up (not to exceed 66 months from date of shipment), including parts and labor for the first twelve (12) months, parts only after twelve (12) months. In the event of a heat exchanger failure, the parts and labor coverage is limited to the heat exchanger itself and does not cover the loss of fluid.

Drive Motor- Five years (60) months from date of start-up (not to exceed 66 months from date of factory shipment), including parts and labor.

AUTHORIZED START-UP REQUIRED:

A properly completed start-up form and report and the QGS warranty registration form is required to obtain the 5-year extended warranty. The 5-year extended warranty is available with an authorized start up by a Quincy authorized representative. A properly completed start-up report is required; this form must be completed by an authorized Quincy representative and submitted within thirty (30) days of start-up to be eligible for the extended warranty. Completed start-up must be submitted through the Quincy Compressor website (www.quincycompressor.com).

Genuine Parts and Fluids- The compressor must be maintained with QuinSyn-Plus (8000 hour maximum), QuinSyn-XP (12,000 hour maximum) or QuinSyn-F food grade (6000 hour maximum). Maximum fluid change intervals are noted per fluid. Actual fluid change interval is to be determined by fluid sampling report, not to exceed maximum fluid change interval. Fluid samples must be taken every 2,000 hours or as directed by the analysis report. For light usage units, a fluid sample must be taken a minimum, of every six (6) months, beginning at start-up.

Only Genuine Quincy Compressor maintenance and replacement parts may be used on the air compressor, otherwise the Quincy QGS 5-Year Extended Warranty is voided.

Warranty registration is required online at www.quincycompressor.com. Registration must include valid end user contact information including name, telephone number, mailing address and email address. View the Quincy Compressor privacy policy and legal notices at www.quincycompressor.com.

NOTICE!

Quincy Compressor reserves the right to modify or withdraw this QGS Warranty program at any time on units not already covered by this QGS Warranty program.

QGS Warranty Statement

QGS Warranty (continued)

Quincy Compressor® Industrial Screw Products
**The following units are eligible for the QGS Warranty
program (operating at 150 PSIG full load or less):
QGS 5 through 30 horsepower**

Normal rules of warranty apply regardless of coverage length. The QGS Warranty is non-transferable. The customer and/or Quincy Distributor must maintain copies of start-up forms, all maintenance records, parts purchases and sampling reports. The following records will be required for warranty air end replacement and/or warranty claim consideration and should be submitted to the Quincy Compressor Customer Service Department:

- A completed Airend Failure Information form.
- A copy of the QGS Warranty Registration/ Agreement form.
- Copies of all maintenance logs for the unit.
- Proof of purchase of Genuine Quincy parts and fluids.
- Copies of all fluid analysis reports.

Notice of the alleged defect must be given to Seller in writing with all identifying details including serial number, model number, type of equipment and date of purchase, within thirty (30) days of the discovery of same during the warranty period.

Seller's sole obligation on this warranty shall be, at its option, to repair, replace or refund the purchase price of any product or part thereof which proves to be defective. If requested by Seller, such product or part thereof must be promptly returned to Seller, freight collect for inspection.

Seller warrants factory repaired or replaced parts of its own manufacture against defects in material and workmanship under normal use and service for ninety (90) days or for the remainder of the warranty on the product being repaired, whichever is longer.

This warranty shall not apply and Seller shall not be responsible nor liable for:

- a) Consequential, collateral or special losses or damages;
- b) Equipment conditions caused by fair wear and tear, abnormal conditions of use, accident, neglect or misuse of equipment, improper storage or damages resulting during shipment;
- c) Deviation from operating instructions, specifications, or other special terms of sales;
- d) Labor charges, loss or damage resulting from improper operation, maintenance or repairs made by person(s) other than Seller or Seller's authorized service station.
- e) Improper application of product.
- f) Acts of God

In no event shall Seller be liable for any claims, whether arising from breach of contract or warranty of claims of negligence or negligent manufacture, in excess of the purchase price.

NOTICE!

Quincy Compressor reserves the right to modify or withdraw this QGS Warranty program at any time on units not already covered by this QGS WARRANTY program. This Warranty is applicable to QGS compressors shipped from Quincy Compressor on or after September 1st, 2010 unless otherwise cleared with Quincy Bay Minette Service Department.
